Dear Mr. Rudez:

We appreciate your letter of February 11, expressing your desires to get set up in the monument business.

We will be happy to help you in establishing yourself as a legitimate retail dealer. We are instructing our Pennsylvania salesman to call on you the next time he is in your territory. At that time he will be able to help you with any of your problems and also render other services which we have available for new dealers.

Yours very truly,

PHILLIPS GRANITE COMPANY
